

Community Contact - Civil Unions

Ask 3 Americans

Do you support legalized civil unions for gay or lesbian couples?

What would be two or three reasons why gay or lesbian couples would want to have a legal bond of some sort recognized by the legal system?

What would be the reasons against recognizing such relationships legally?

How do you imagine life or culture would be changed if civil unions were recognized, if at all?

What do you imagine could be some good consequences of legal unions?

Some bad consequences?
