

## **ESL 104.5 Community Contact - Campus Safety**

Ask 2 or 3 Americans about Security/Safety on Campus Use the following questions as starting points for your discussion.

1. How safe do you feel on campus? Why?  
What are the dangers? What threatens your safety here, if anything?
2. What do you do to ensure or increase your safety? What do you recommend I do to avoid risk? What do you think the average guy on campus does about threats to his safety? Who do you think is most at risk, and why.
3. What does the University do to provide for our safety? How can the University do better to provide a safe campus?
